FEATURES

- Slightly thicker
- Beveled teeth/21 degree
- Adjustable cutting length
- Ridges for smooth feed

BENEFITS

- Ideal for tapering
- Easy pick up and feeding of hair
- Bevel supports tapering technique
- Glides through longer hair
- Rust resistant

Our 100 Year Clipper showcases our most powerful motor capable of cutting through wet or dry hair. The adjustable taper lever allows for variable taper lengths and textures while the angle of the blade provides easier pick up of the hair and supports the 'scooping' action of your c-stroke. The blade ridges assist in gliding through the hair, giving you the freedom and flexibility that comes with a cordless clipper.
